

COVID-19 Warning & Waiver

An inherent risk of exposure to COVID-19 exists in public places and events, where people are present. Derby City Agility Association (DCAA) will be implementing the following guideline for the safety of the exhibitors, volunteers and club members. DCAA, officials and participants are required to follow current state, local and facility guidelines at the time of the trial. These will supersede all other rules, whether more or less lenient.

1. Exhibitors should maintain six-foot social distancing inside and outside the building. Please be respectful of your fellow exhibitor.
2. Crating should be setup so that social distancing can be maintained between all individuals and/or "family" groups of exhibitors and dogs in crating areas. A minimum of 6 ft.
3. We are not requiring exhibitors to wear a face mask IF FULLY VACCINATED. If you ARE NOT fully vaccinated, you must wear a mask.
4. There will be no seating/viewing within 6 ft. of the ring. Seating will only be in your crating area and bleachers.
5. Course maps will be emailed, to the exhibitors, the night before each trial and posted on the wall each morning. Maps will also be available on the Agility Gate App.
6. There will not be food or beverages available at the trial. Individuals will need to bring their own food and drinks.
7. Handlers may place their leash in their pocket or wear them while running the course. If handlers elect to drop their leash at the start, a leash walker will be available.
8. No self-serve ribbons. A club member will distribute ribbons to those requesting them and place them on the table.
9. Results will be posted on the wall after each class. Results will be emailed, to all exhibitors, after the conclusion of the trial.

10. Extra hand sanitizer, disinfecting supplies and towels will be available. Please wash your hands frequently.

Please do not attend this trial if you have been exposed to COVID-19 within 14 days prior to the trial, have COVID-19 or exhibit any of its symptoms at the time of the trial. We will offer a full refund if any of these conditions pertain to you. People who are visibly sick and attend the trial will be asked to leave with no refund.

COVID-19 continues to change our daily lives. If you are entering DCAA's trial, please be sure you are comfortable with these guidelines and are willing to comply with them. Exhibitors not complying with these guidelines will be excused from the trial without a refund.

Please print, sign and return this document with your entry/entries.

I have read the guidelines above, understand them and I am willing to comply with them.
