

Everyone's safety is our primary concern, especially during the current pandemic. We will comply with Indiana state and local guidelines for group events. **Please keep in mind this is a very fluid situation, and guidelines are subject to change with little notice. We reserve the right to adjust these guidelines as needed.** We will try to keep everyone updated of any changes through our Facebook page and emails from the trial secretary. We will be implementing the following guidelines:

1. Walk through groups will be split to facilitate better social distancing.
2. Appropriate masks must be worn correctly (covering the nose and mouth) at all times inside the building. Face masks are highly recommended while running in the ring but not required. Masks should be made of double layered washable fabric or disposable paper without any holes. No mesh, lace, etc. masks. Face shields cannot be substituted for masks. Exhibitors are responsible for providing their own PPE.
3. Exhibitors are recommended to maintain six-foot social distancing inside and outside the building. Please be respectful of your fellow exhibitors.
4. There will be no seating/viewing area near the ring. Seating will only be in your crating area and bleachers.

5. Handlers may place their leash in their pocket or wear them while running the course.
6. Results will be posted on the wall of the facility for viewing. Results will be emailed after the trial as well.
7. There will be no food or beverages available at the trial. Competitors should bring their own food and drinks. There are numerous food options a short drive from the trial site.
8. There will be plenty of soap, hand sanitizer, and disinfecting supplies. Please wash your hands frequently and make use of the provided supplies.
9. No paper gate sheets will be used. The Agility Gate app will be used instead, and a monitor displaying the run order will be provided. Using the app on your personal device is recommended. You may electronically check in for your runs beginning at 6 am each day. The gate steward will be able to check you in if you cannot check yourself in via the app.

Please do not attend this trial if you are aware of an exposure to COVID-19 within the 14 days preceding the trial, or if you have COVID-19 or any of its symptoms at the time of the trial. To promote good decisions, we will offer full refunds if any of these conditions apply to you.

If you are entering this trial, be sure you are comfortable with the above guidelines and are willing to comply with them. Exhibitors not complying with these guidelines will be excused from the trial without refund.
